

The background of the entire image is a detailed map of Europe and North Africa. The top portion shows Northern Europe, including Ireland, Scotland, the United Kingdom, Norway, and Sweden. The bottom portion shows North Africa, including Algeria, Tunisia, and parts of Libya and Egypt. The map is in a vintage style with various place names and geographical features.

GLOBES

EXPANDING YOUR VIEW OF THE WORLD SINCE 1930

REPLOGLE HISTORY

- A unique product. A unique company. In 1930 Luther Replogle believed globes had untapped potential. From the humble beginnings of a Chicago apartment, Replogle today is the worlds largest globe manufacturer.
- We still make our globes largely by hand. We employ artisans who have spent the better part of their lives with Replogle Globes, craftspeople who consider globe-making an art.

Globes
produced for
the movie
Pirates of the
Caribbean

Provoke the imagination in new ways with the 8"/20cm Diameter Replogle Political Globe. The globe shows the striking colors of a blue ocean kids political map with hundreds of drawings of ocean life, people, tectonic plates and landmarks. The globe also includes the Replogle AR-augmented reality feature. Download the free app to your smart phone or tablet to gain access to multiple categories of features including Animals, dinosaurs, Landmarks, Countries, Climate, Solar System and Aerospace. Just point your phone or tablet toward the globe and start to explore. The Replogle AR globe app makes this wonderful Replogle Globe come to life with 3D interactive illustrations and information. For example, click on the panda bear and hear his/her growl and learn about where they live, how long they live and what they eat. This is just one of the hundreds of pieces of information that you can learn about playing with the exciting Replogle Augmented Reality App. Easily download the app by using instructions included in the box to almost any smart device and learn exciting and interesting facts about every country of the world, animals, dinosaurs, landmarks and more. The QR activation code can be used on up to 4 devices. This is the most entertaining and educational globe on the market. The perfect globe for hours of entertainment and a great night light for a child's bedroom.
